**TOTAL Universe**  
*The New Paradigm*

*The Seven Fundamental Truths  
we must understand today  
about the Universe*

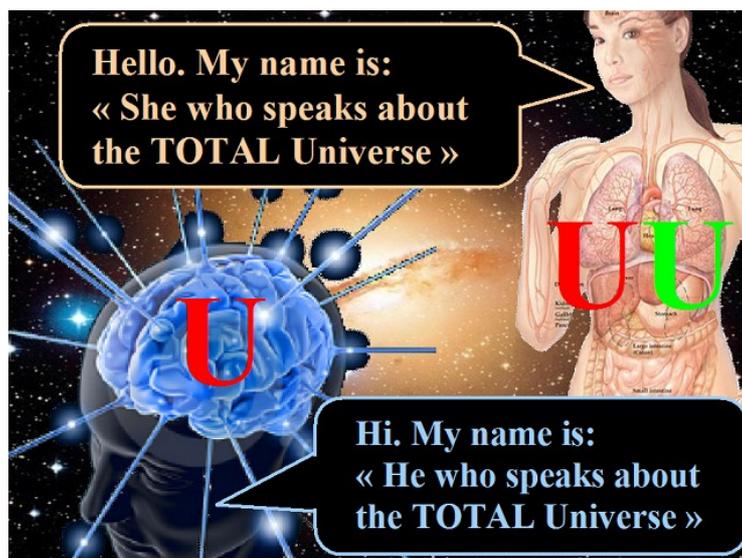

*Book Version of Seven Videos of the same theme.*

**Book 5: Truth 5 of 7**

This book is totally free,  
and must also be shared freely.

His author is  
«She and He who speak about the TOTAL Universe».

*“Theophilus and Angelika”,  
the avatars of all those who  
speak about the TOTAL Universe*

This book is also available on the net in video version,  
a series of the same theme :

**«The TOTAL Universe: The New Paradigm.  
The Seven Fundamental Truths  
we must understand today  
about the Universe »**

<http://science-total-universe.org>

We can call this kind of book a « **book-video** ».

While reading a text, imagine you are seeing the two presenters,  
Theophilus and Angelika, talking to you as to friends,  
and explaining on a whiteboard what must be.  
Sometimes it is one who speaks to you, sometimes the other.

And when you look at a picture with a legend or a comment,  
imagine that you hear in voice-over,  
one or the other, explaining you what you see.

The book-video, based on the video,  
is an occasion to give some very important additional explanations  
for a better understanding of  
the TOTAL Universe, the New Paradigm.

The book-videos are not long to read,  
because they consist primarily of images.

We recommend that you read the seven book-videos in the order,  
to get a good overview of the TOTAL Universe  
the New Paradigm.

Thus, by reading again the book-videos or any of them,  
this time in the order you want,  
your understanding of what is said can only be better.  
You will better understand what is said here or there and why it is said,  
because now you have an overview of the question.

All the book-videos are available for free download  
at the website <http://science-total-universe.org>,  
and all the videos can be seen there too.

Good watching, good reading...

# Truth 5 (Book-video 5)

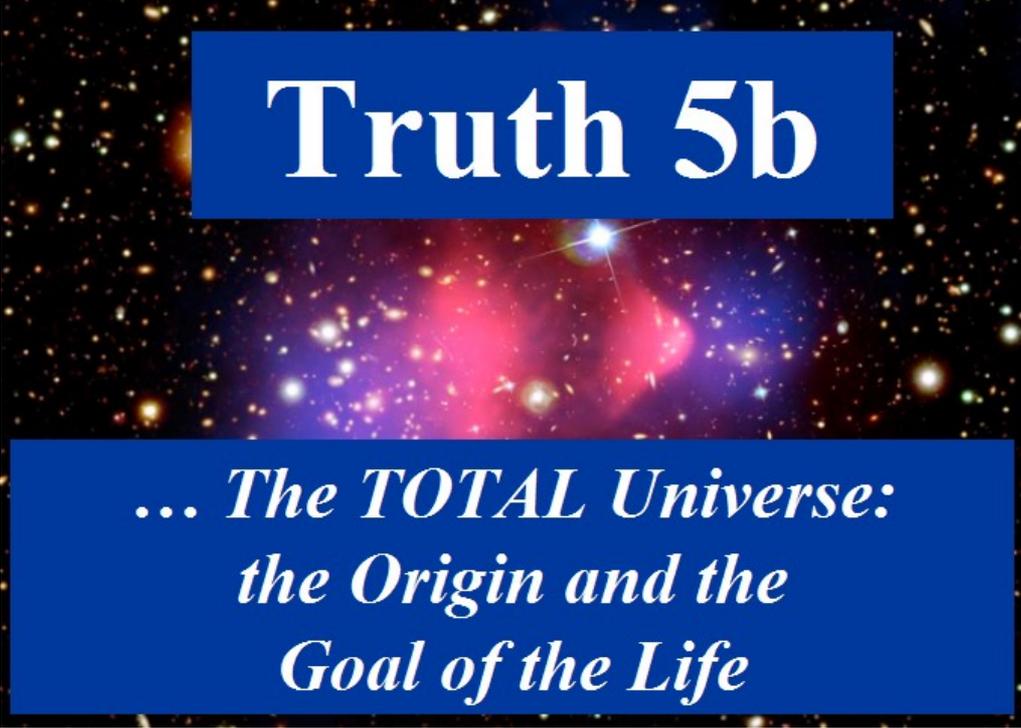

## Summary

- New Genesis p.5
- World of Negation and World of Alternation p.17
- Everyone who wants, can recover his Divine Nature p.26

## New Genesis...

Here is the statement of the Truth we'll explain in this fifth video...

# Truth 5b

*... The TOTAL Universe:  
the Origin and the  
Goal of the Life*

Truth 5:

***Truth 5:  
We live in  
a World of Negation.  
The only goal of the life  
in these Worlds is  
to relearn the  
TOTAL Universe,  
the Lost Life.***

We discovered with the Video 1 (Truth 1) the TOTAL Universe, the TOTAL Reality, the Alpha and the Omega...

## The TOTAL Universe, U: The Set of ALL things

Alpha  
Omega

U

**Law of the TOTAL Reality:**

« ALL things exist in the TOTAL Universe »

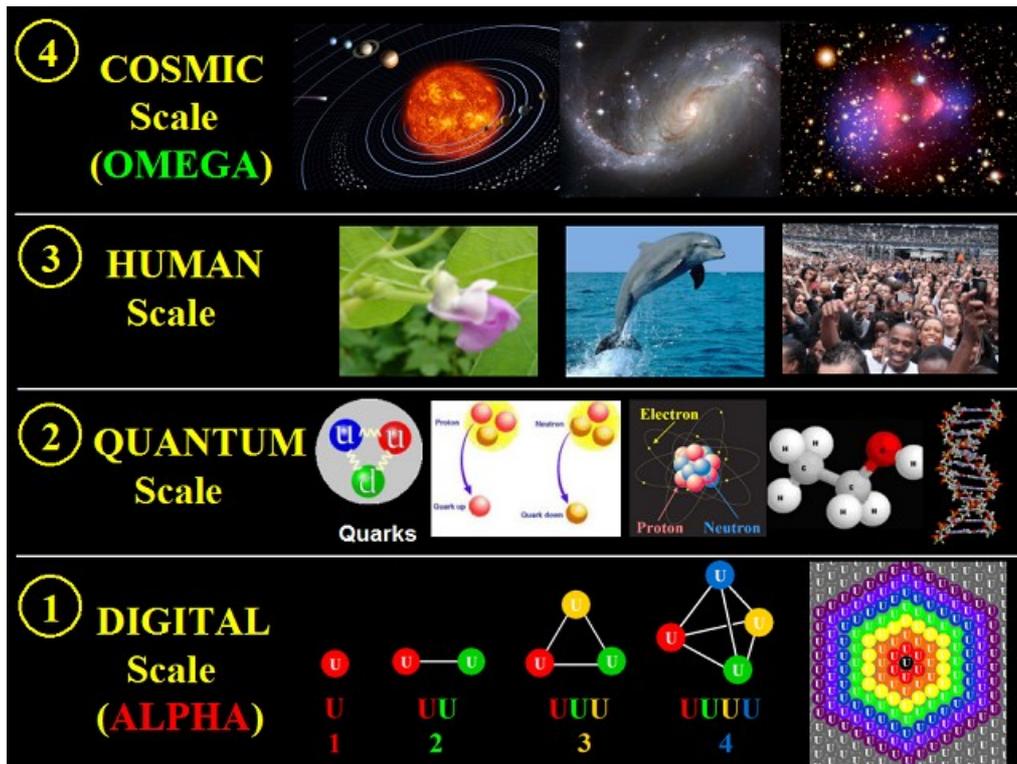

$\forall X(X \in U)$

We saw also with the Video 2 (Truth 2) that any thing is a GENERESCENCE, that is to say it is generated, engendered, created by simple Iteration or Repetition of the ALPHA, U:

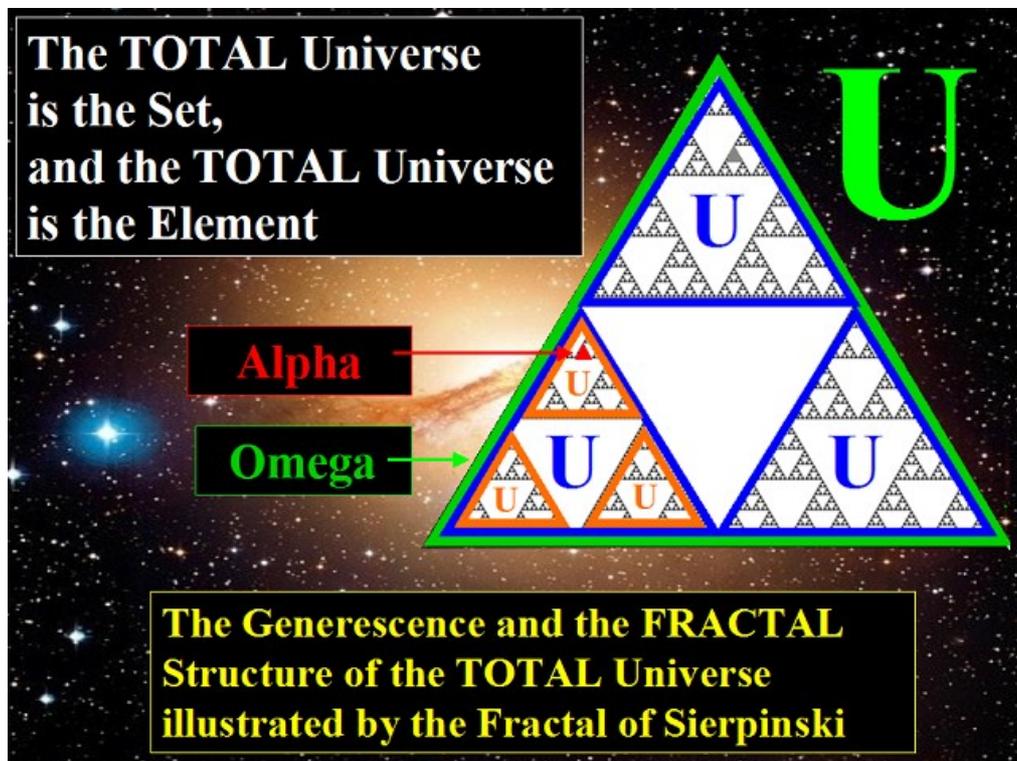

## Simplex Structure of Generescences

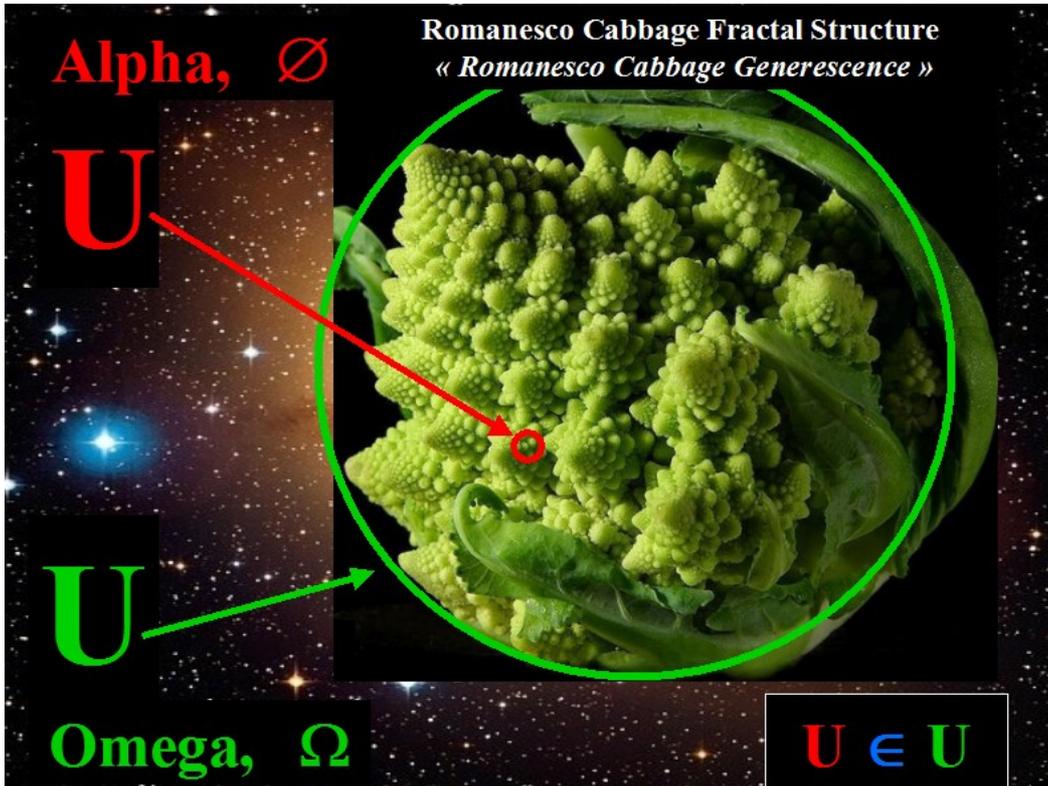

|  |   |
|--|---|
| <p style="text-align: center;">1 Structure:<br/><b>U</b></p> <p style="text-align: center; font-size: 1.5em;"><b>U, 1</b></p> <p style="text-align: center;">1 Pemutation: <b>U</b></p>  | <p style="text-align: center;">2 Structures:<br/><b>U.U</b><br/><b>UU</b></p> <p style="text-align: center; font-size: 1.5em;"><b>UU, 2</b></p> <p style="text-align: center;">2 Pemutations: <b>UU</b> , <b>UU</b></p>   |
| <p style="text-align: center;">4 Structures:<br/><b>U.U.U</b><br/><b>U.UU</b><br/><b>UU.U</b><br/><b>UUU</b></p> <p style="text-align: center; font-size: 1.5em;"><b>UUU, 3</b></p> <p style="text-align: center;">6 Pemutations:</p> <p style="text-align: center;"><b>UUU</b>   <b>UUU</b>   <b>UUU</b><br/><b>UUU</b>   <b>UUU</b>   <b>UUU</b></p> | <p style="text-align: center;">8 Structures:<br/><b>U.U.U.U</b><br/><b>UU.U.U</b><br/><b>U.UU.U</b><br/><b>UU.UU</b><br/><b>UUU.U</b><br/><b>U.UUU</b><br/><b>UUUU</b></p> <p style="text-align: center; font-size: 1.5em;"><b>UUUU, 4</b></p> <p style="text-align: center;">UUUU: 24 Pemutations<br/>UUUUU: 120 Pemutations<br/>UUUUUU: 720 Pemutations<br/>UUUUUUU: 5040 Pemutations</p> |

The ALPHA creates by Iteration ALL things until the last one, the OMEGA, which is a new ALPHA which starts a new Cycle of Creation, and so on...

That nature of the TOTAL Universe is called a FRACTAL Structure...

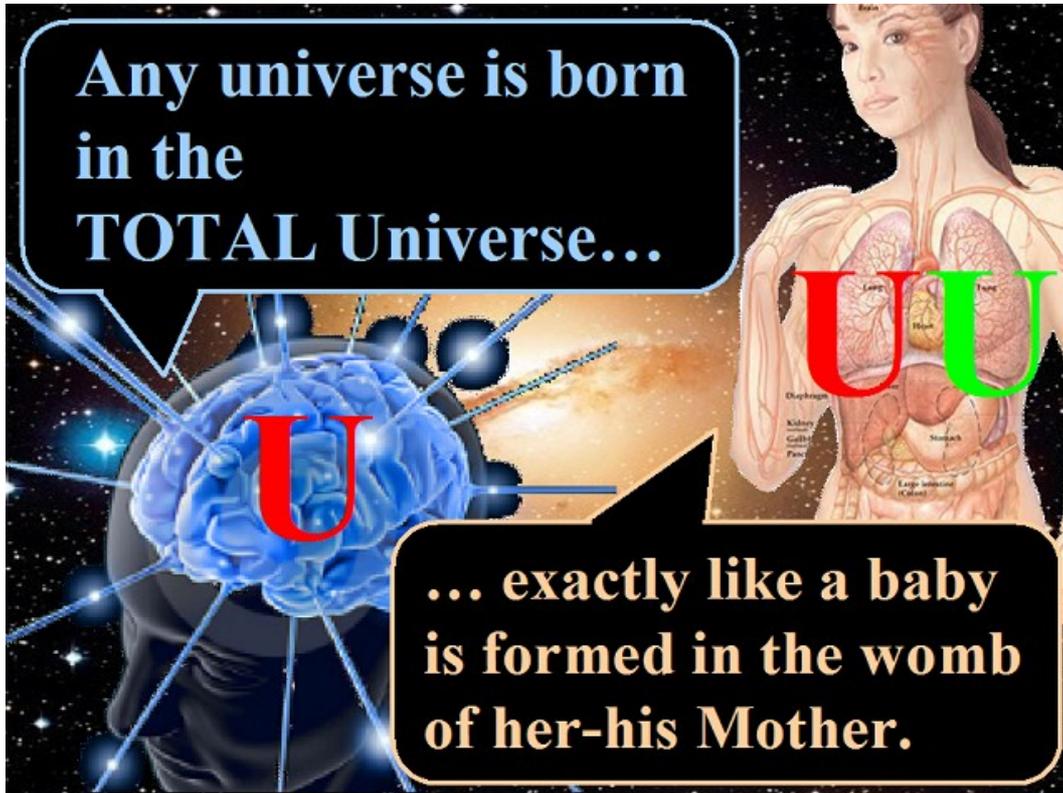

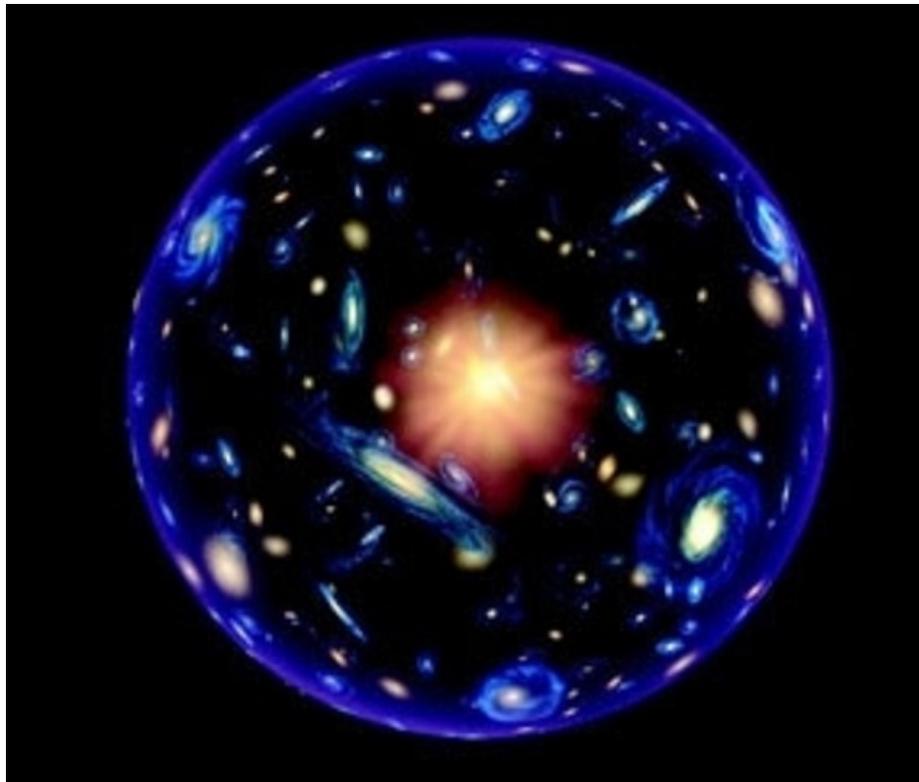

So, a good conception of Evolution and LIFE, must be based on the TOTAL Universe and his Generescent and FRACTAL Nature.  
And then it is also a good conception of Creation...

**Any universe is born  
in the  
TOTAL Universe...**

**... exactly like a baby  
is formed in the womb  
of her-his Mother.**

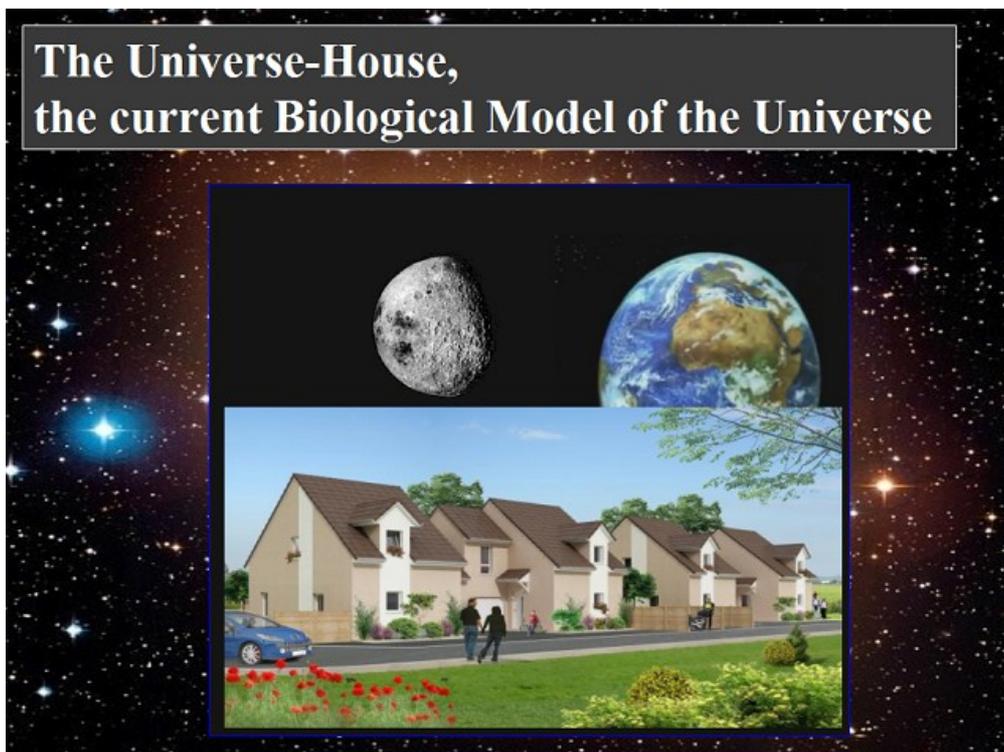

*Big Bang...*

*Big Bang...*

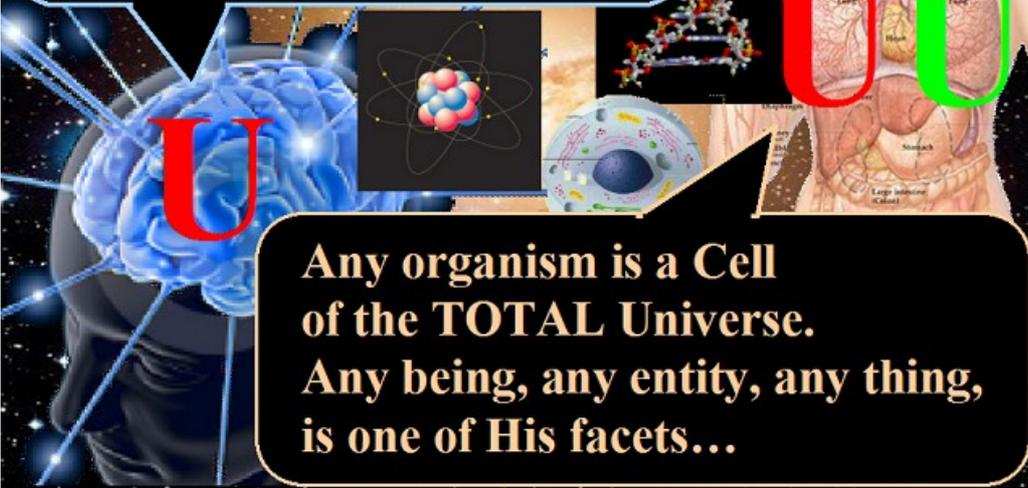

According to the current conception of LIFE,  
we consider the Universe only like a NON-Living House  
inhabited by living beings...

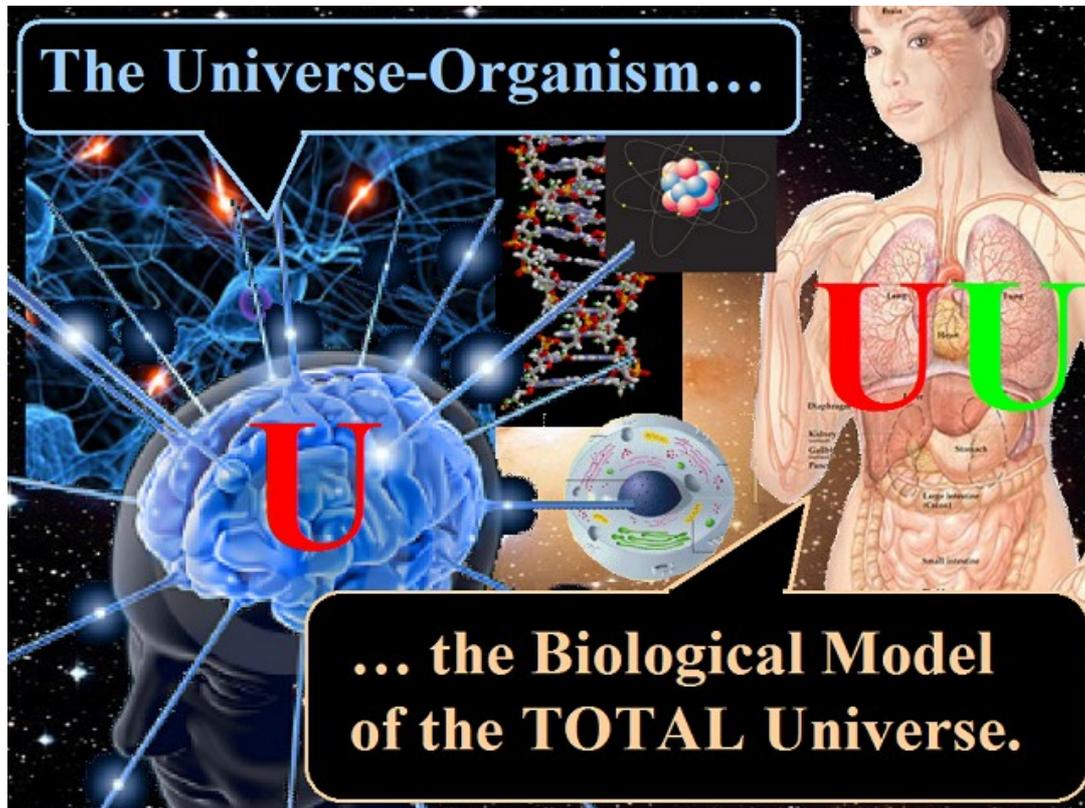

## Current Model of « apparition » of LIFE from the « NON-living »

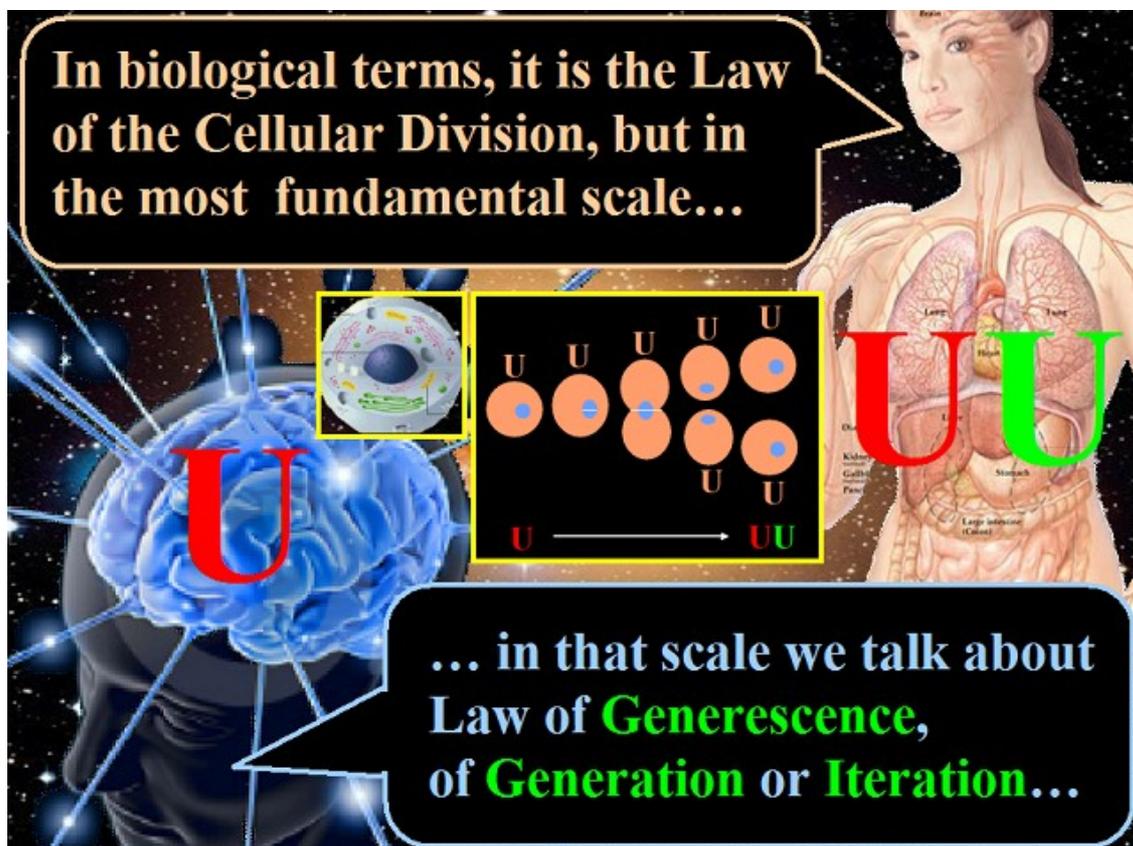

**The TOTAL Universe  
is the Supreme  
Organism**

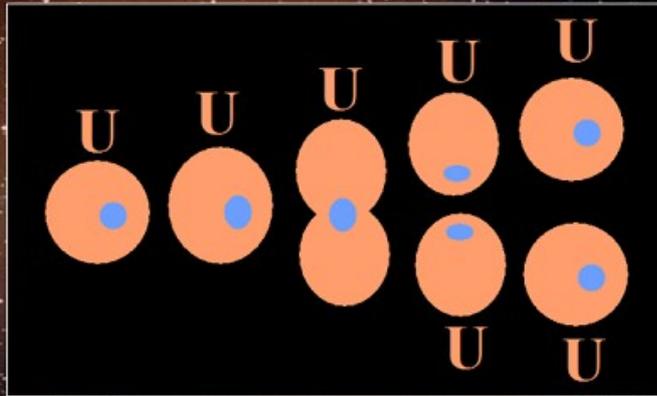

**Any organism is a Cell  
of the TOTAL Universe.  
Any being, any entity, any thing,  
is one of His facets...**

The GENERESCENCE is the most fundamental definition of the notion of LIFE and of the Reproduction of the LIFE:  
 U, UU, UUU, UUUU...

# Law of Generation Iteration Law of the TOTAL Universe

**U = UU or U = U + U**  
**Universal Law of « Cellular Division »**  
**or Law of « Multiplication of the Loaves »**

The FRACTAL Nature of the TOTAL Universe implies that the Life always comes from Life; the life that is being created in a given universe already pre-exists in the ALPHA, U.

**4 COSMIC Scale (OMEGA)**

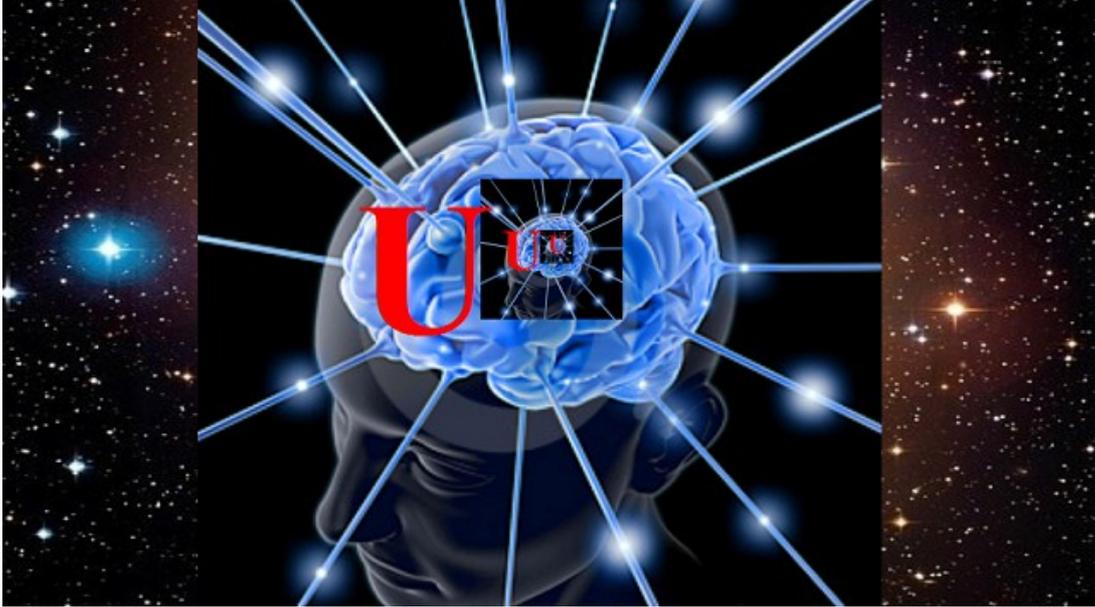

**3 HUMAN Scale**

**2 QUANTUM Scale**

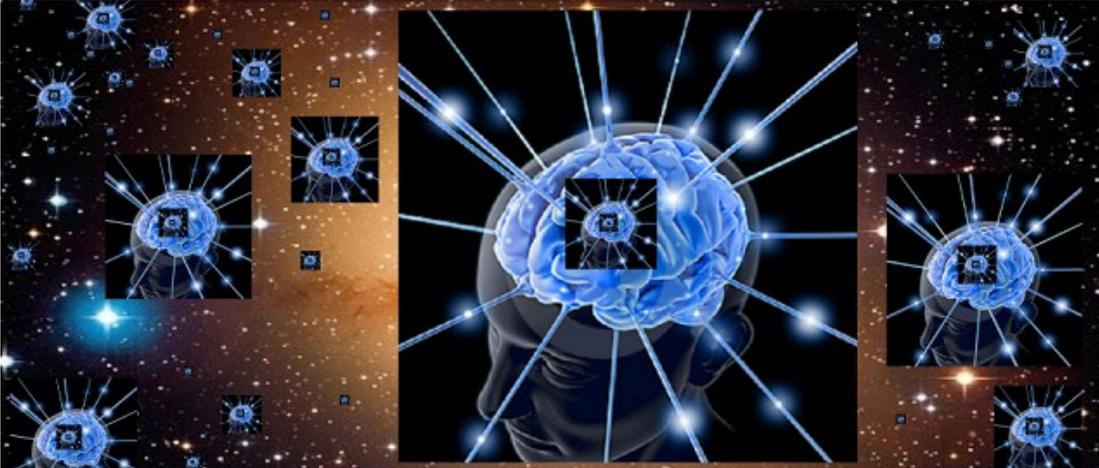

**1 DIGITAL Scale (ALPHA)**

The FRACTAL Nature of the Universe also changes the understanding of the notion of CONSCIOUSNESS...

**The BRAIN: the Center and the Receiver  
of the Consciousness that is  
the TOTAL Universe, the FRACTAL Universe**

**TOTAL Universe, TOTAL Consciousness;  
FRACTAL Universe, FRACTAL Consciousness**

**Because the TOTAL Universe is FRACTAL,  
Consciousness is in the Brain and at  
the same time EVERYWHERE in the Universe**

The TOTAL Universe, the FRACTAL Universe,  
is the Supreme Consciousness, the Supreme Being who says:  
"I am the Alpha and the Omega"...

**Omega**

U = U...

U = UU = UUU = UUUU = UUUUU = UUUUUU = UUUUUUU = ...

**U**

**Alpha**

**U = U...**

**Alpha = Omega**

« I am the Alpha and the Omega,  
the First One and the Last One,  
the Beginning and the End »  
Revelation 22: 13

If thus, to know the Origin and the Goal of the Life, we question Bones,  
it is that we are disconnected from the TOTAL Universe, the Life himself...

**Source of Information  
for the Theory of Evolution  
and the Anthropology of our world**

**Find the  
ERROR!**

*We live in a **Reversed Reality**, a **Reality Upside Down**,  
where the **Science** is entirely founded on the **Denial of the TOTAL Universe**,  
where the **Science** is in fact the **Anti-Science**,  
where things are very **Misleading**,  
where things are all the opposite of what they should be.  
What they are, is the **Negation**,  
and what they should be, is the **Alternation**.*

## World of Negation and World of Alternation...

As we saw it in the previous video, the ALTERNATION is the fundamental Nature of the TOTAL Universe, his NORMAL Functioning, the NORMAL Relationship between beings...

**ALTERNATION**

Key word: **OTHER, ALTER**  
Key verb: **ALTERNATE, PERMUTE**

Nature: **Positivity, Existence, TOTAL Affirmation**  
Functioning: **Permutation, Rotation, Cycle**  
Relation: **Equivalence, Union, XERY**

And we also discovered the antithesis of the ALTERNATION, namely the NEGATION: the Negative Nature, the ABNORMAL one, the Dysfunctioning, the ABNORMAL Relationship between beings...

The kind of questions asked in a World disconnected from the TOTAL Universe

**DIEU  
EXISTE-T-IL?**

- Ce que les scientifiques en disent
- Leurs dernières découvertes

« **Does GOD EXIST?**  
• What the scientists say  
• Their last discoveries »

# NEGATION

Keyword: **NON**

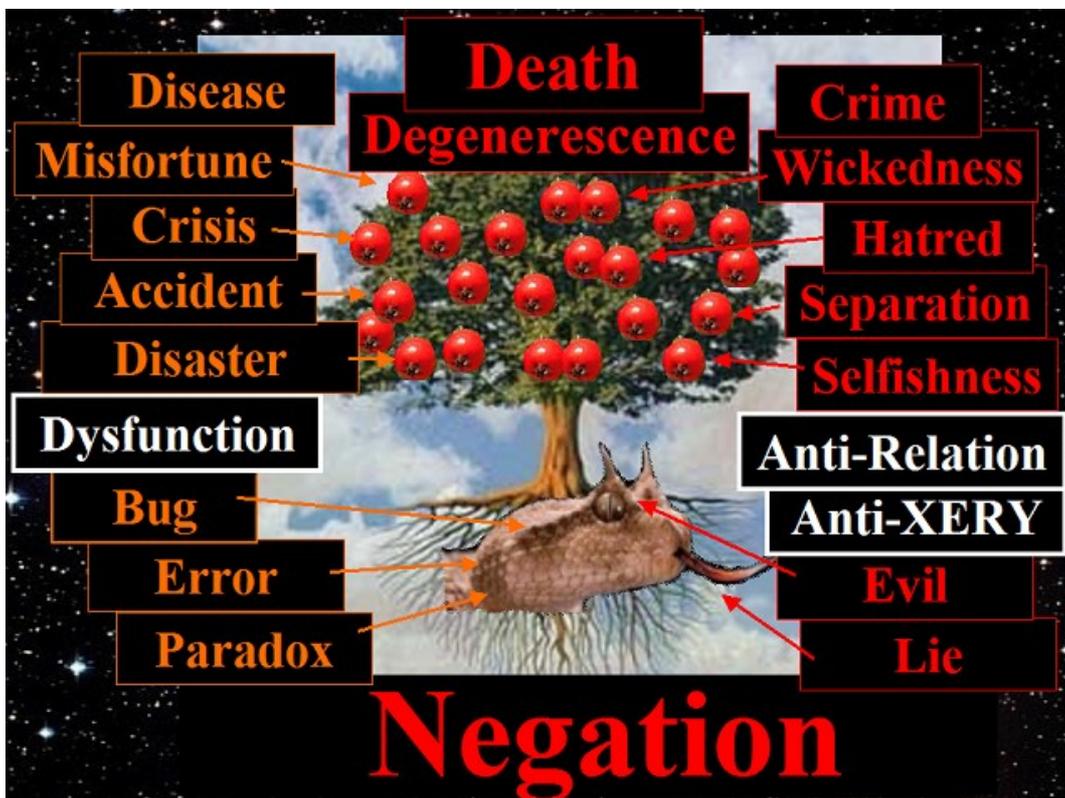

Key verb: **NEGATE, DENY**

**Nature:** Negativity, Negation of Existence,  
Negation of things

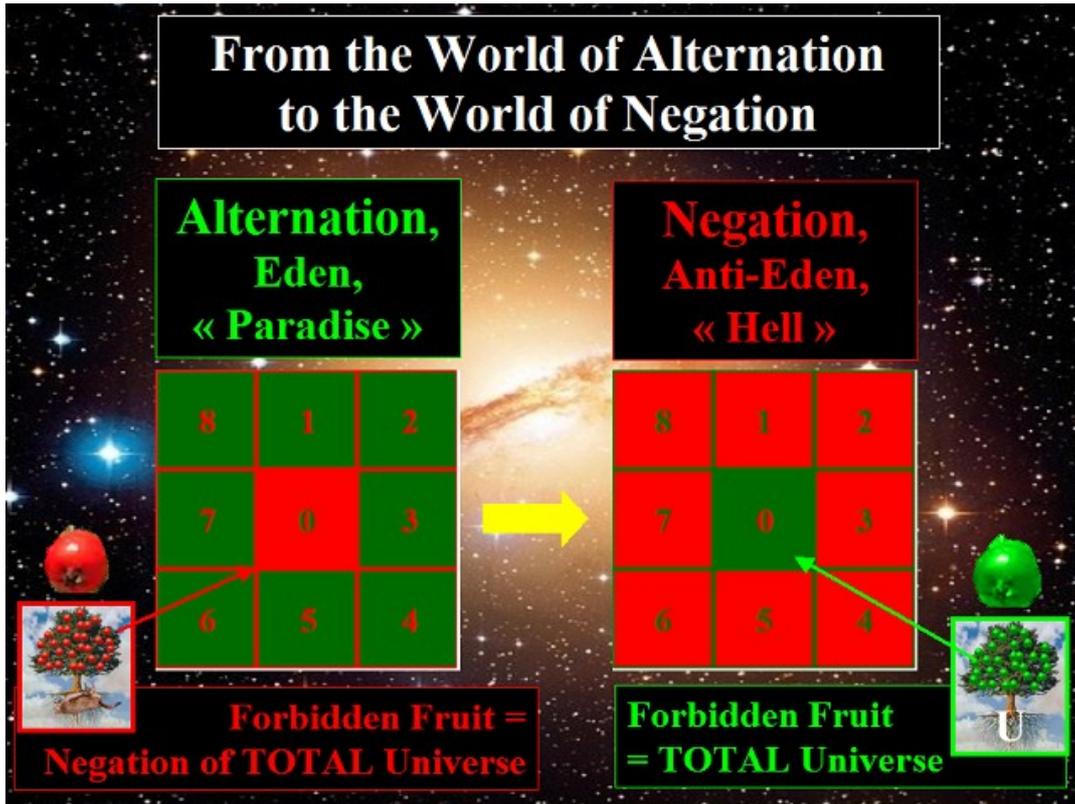

**Fonctionnement:** Non-Permutation,  
Non-Rotation, Non-Cycle

**Relation:** Identity, Separation, Anti-XERY

*We live in a Reversed Reality, a Reality Upside Down,  
a World of Negation and of the Denial of Existence,  
a World of Negativity and of Wrong Functioning,  
a World of Separation where Equality is reduced to Identity,  
where things are very Misleading,  
where things are all the opposite of what they should be.  
What they are, is the Negation,  
and what they should be, is the Alternation.*

We thus discovered the two types of Psyches and Consciousnesses in the TOTAL Universe, and also the two types of Worlds, of Functioning...

*We live in a **Reversed Reality**, a **Reality Upside Down**,  
an **Anti-Eden** where the **Forbidden Fruit** is the **TOTAL Universe**,  
a **Garden** where everything are allowed except the **TOTAL Universe**,  
where the **Lie** becomes the **Truth** and where the **Truth** becomes the **Lie**,  
where what is called the "**Life**" is only like the **0** among all the **Infinity of numbers**,  
where the **Real Life** is **Unknown** and where the **Real Death** is **Well Known**,  
where things are very **Misleading**,  
where things are all the opposite of what they should be.  
What they are, is the **Negation**,  
and what they should be, is the **Alternation**.*

As a Bad Leader plunges his country into serious Problems,  
a Being who governs a World or a Universe and who becomes Negative  
turns it in a World of Negation, he causes its ruin...

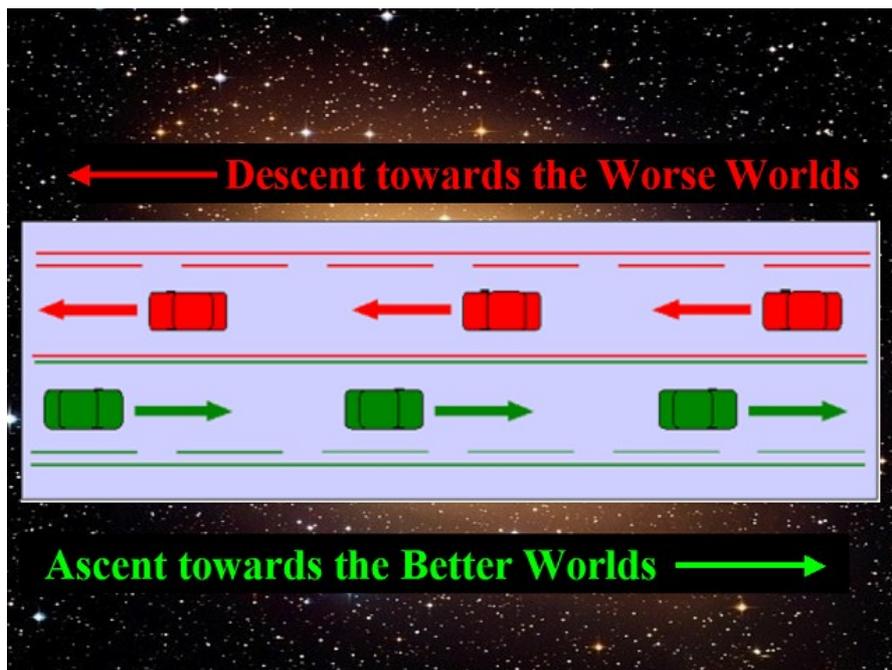

More generally, our Universe or our World is what it is  
because we are what we are, and vice versa.  
If we function with Alternation or with Negation,  
it functions in the same way and vice versa.

And the Reality of our Universe or of our World  
is the Resultant of the effects of the two opposite Psyches.  
The most powerful ones make that things evolve toward Alternation or toward Negation...

On the individual level, each of us found himself or herself back in a World of Negation because we have our own history of Negation in the TOTAL Universe, our own responsibility...

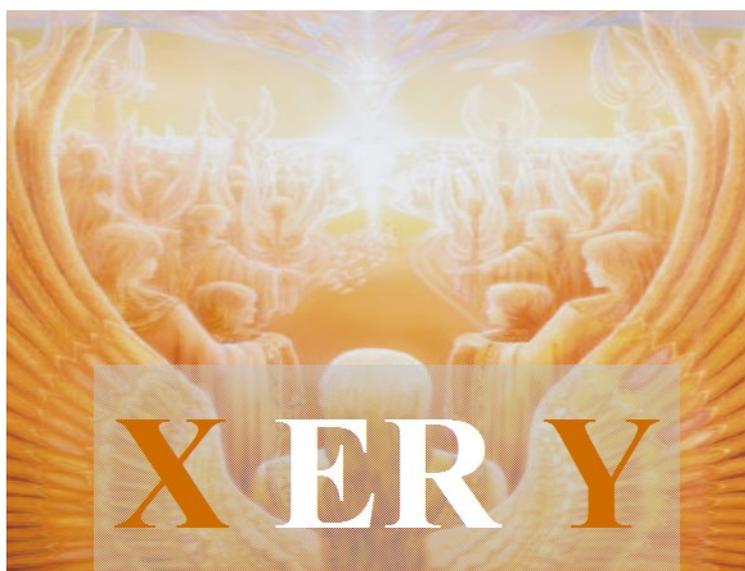

Each of us circulates in Worlds of Negation, from life to life, and the goal of the life in these Worlds is to come back in ALTERNATION, to relearn the TOTAL Universe, the Lost Paradigm...

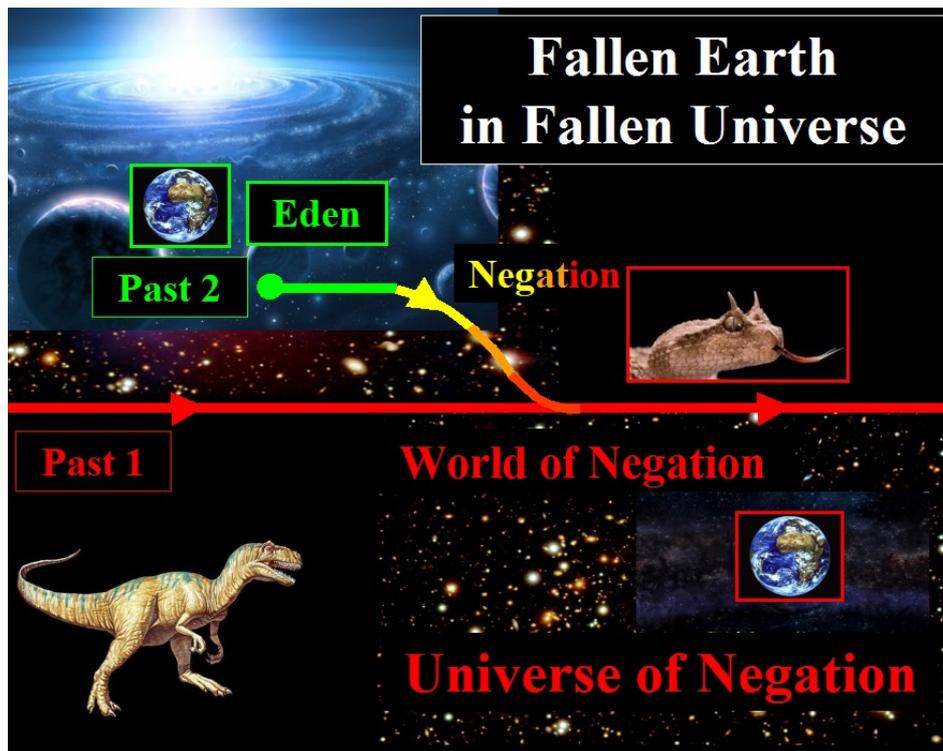

We call a Psyche of Alternation, an Alternative or a Positive one, any being who WANTS to return in ALTERNATION, who will do it if he (she) is informed or is not prevented...

And we call a Psyche of Negation, any being in possession of his Free Will, but who makes the CHOICE to continue in NEGATION, whether he (she) is informed about ALTERNATION or not...

A Psyche of Negation only knows Selfishness and the Domination of the Other. He (She) no more knows the XERY, the Absolute Love that governs the Worlds of ALTERNATION...

The current science does not make us understand the Life which is the TOTAL Universe, but in fact it only describes the life in a Universe of Negation...

*We live in a **Reversed Reality**, a **Reality Upside Down**,  
a **Fallen Earth** where the **Past of Eden** is **Lost**,  
where the **Past** is now the one of the **Fallen Universe** in which the **Earth** is **plunged**,  
where things are very **Misleading**,  
where things are all the opposite of what they should be.  
What they are, is the **Negation**,  
and what they should be, is the **Alternation**.*

## Portrait of a World of Negation and of Negative Entities

- « **Natural Selection** », **Survival of the fittest**
- **Struggle for Life and for Survival**
- **Eat the Other, the Alter, before being eaten**
- **Selfishness, Priority to Self-Interest**
- **Fight for the Control of Resources**
- **Domination, Conquest of Territory**
- **Jungle Law, Law of the Strongest**
- **etc., etc., etc.**

**All the Opposite of a World of Alternation,  
of XERY, of LOVE**

The Psyches of Negation form all one Collective Consciousness,  
a polymorphic being called the "DEVIL".  
Each Psyche of Negation is his face...

## The Guardians of the Paradigms of Negation

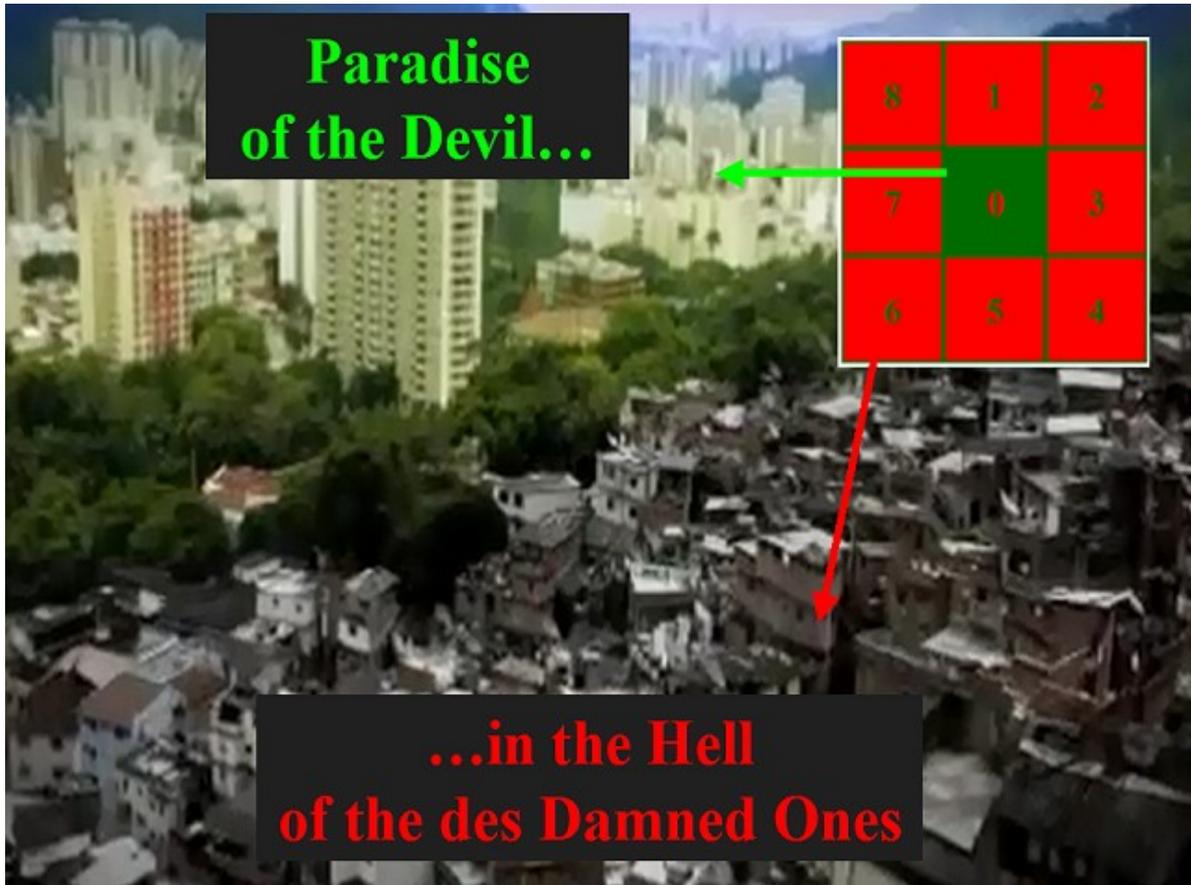

**From now on, when you look at a Movie,  
do not say any more that you look at a "Fiction"...**

*We live in a **Reversed Reality**, a **Reality Upside Down**,  
a "**Matrix**", the **World of She and He the Negators**,  
where things are very **Misleading**,  
where things are all the opposite of what they should be.  
What they are, is the **Negation**,  
and what they should be, is the **Alternation**.*

In general, the Psyches of Negation,  
and in particular those who have a physical or a psychic power on the Other ones,  
prevent the return to ALTERNATION...

These beings hide the TOTAL Universe, the TOTAL Reality,  
they lock everybody in THEIR Reality.  
They harshly fight against all what tries to go out of their paradigms of Negation...

The Entity-In-Chief who governs our World is the one named "Satan the Devil",  
who in the Gospel proposed to Christ the "Kingdoms of the world and their glory"  
(Matthew 4: 1-11)

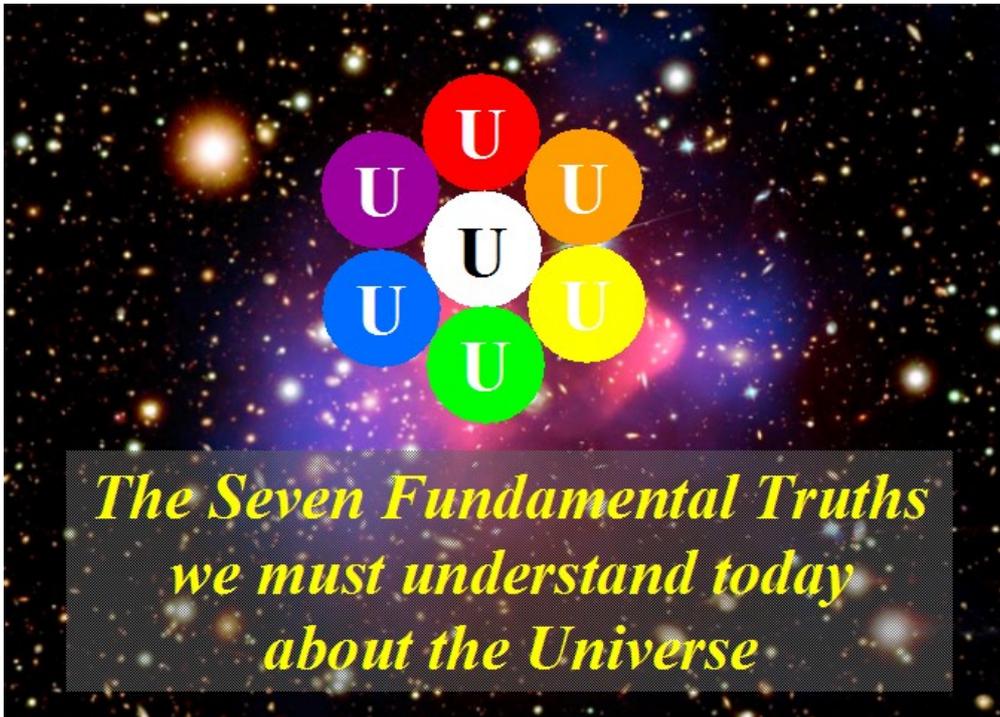

*We live in a **Reversed Reality**, a **Reality Upside Down**,  
the **Paradise of the Devils** and the **Hell of the Damned ones**.  
There the only **Goal of the Life** is to **Relearn the TOTAL Universe**.  
But there almost everything prevent us to discover the **TOTAL Universe**,  
the **Universe-GOD**, the **Supreme Being**, the **Alpha and the Omega**,  
the **Generator of all things**, the **Real Life**.  
There things are very **Misleading**,  
there things are all the opposite of what they should be.  
What they are, is the **Negation**,  
and what they should be, is the **Alternation**.*

So, when these beings, humans and non-humans,  
do not propose a Pact of Negation by trapping, tempting, possessing, etc.,  
they impose it by force, in total violation of the Free Will...

Thus Women and Men hinder the Light and the World of Alternation.  
They fight in Verdun, in Meuse, in France, and in the World,  
against She and He who speak about the TOTAL Universe...

This simple thing must be understood: the Ignorance makes all their Power.  
But where the Truth and the Light arrive, there also their Power declines considerably...

So, share the videos about the TOTAL Universe and you will contribute a lot to change things, to make come ALTERNATION...

**Everyone who wants, can recover his Divine Nature...**

And finally, as we saw it, any thing, any being, is made of the same fundamental Essence, the ALPHA, U, which also is the OMEGA.  
In short, any thing is of the Divine Essence...

|                                       |  |
|---------------------------------------|--|
| <p><b>4</b> COSMIC Scale (OMEGA)</p>  |  |
| <p><b>3</b> HUMAN Scale</p>           |  |
| <p><b>2</b> QUANTUM Scale</p>         |  |
| <p><b>1</b> DIGITAL Scale (ALPHA)</p> |  |

**Omega**

U...

U

**Alpha**

**U = U...**

**Alpha = Omega**

« I am the Alpha and the Omega,  
the First One and the Last One,  
the Beginning and the End »

**Revelation 22: 13**

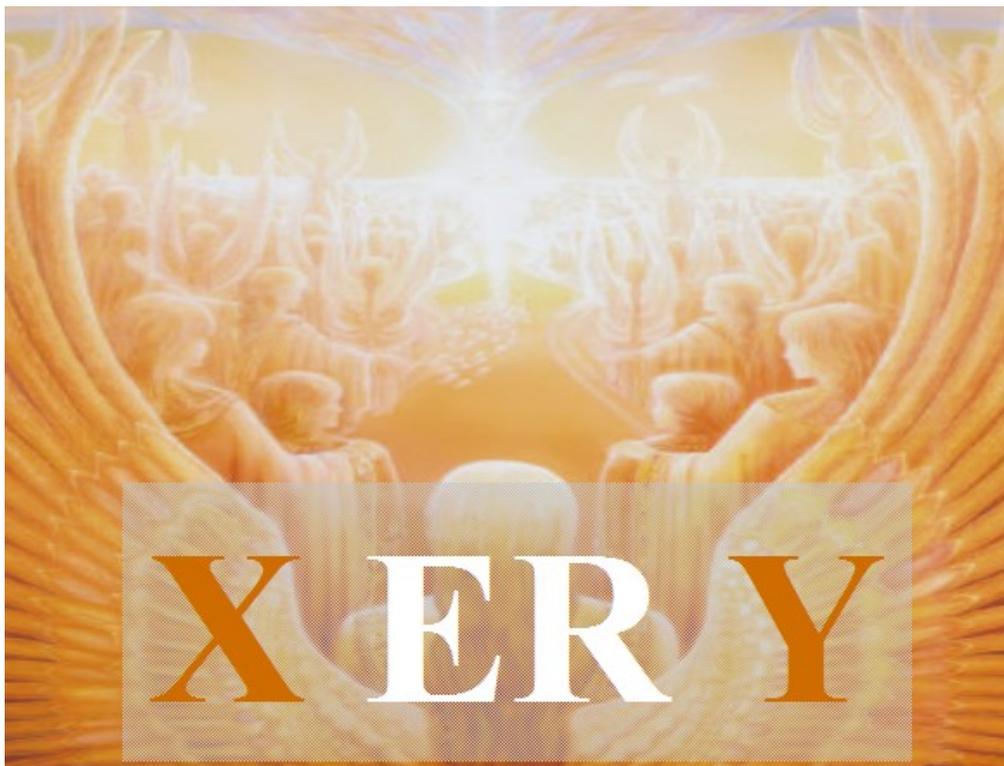

U = UU = UUU = UUUU = UUUUU = UUUUUU = UUUUUUU = ...

So, let us not forget that the Psyches of Negation are also of Divine Nature.  
If these Women and Men, these Entities and Beings, want it,  
they can recover what belongs to them as to everybody...

**Alternation**

**Connected  
to the TOTAL Universe**

We'll be happy to meet you in the next video to talk about the future of the Earth...
